

PRECISION-DRIVEN MARKETING SOLUTIONS

# ACCELERATE YOUR SUCCESS WITH FORCE MARKETING. A PORSCHE CERTIFIED PARTNER.

FIND MORE INFO HERE: [FORCEMARKETING.COM/OEM](https://FORCEMARKETING.COM/OEM)

As a certified partner, Force Marketing delivers tailored, data-driven advertising strategies that elevate your brand, engage high-intent buyers, and drive performance. **Plus, Porsche dealers can take advantage of 100% co-op reimbursement—ensuring your marketing dollars go further.**

## DRIVE - DYNAMIC VISUAL MEDIA

Combines social advertising with dynamic display and video advertisements into **one package**.

- Customizable video through DMS/CRM data
- Video pulls live dealer inventory directly into your creative.
- Video ads used for **retargeting and targeting consumers based on location, interests/demographics through 3rd party data**

## PAID MEDIA ADVERTISING

Software and management of paid media campaigns across Dig Ad publishers, including, Meta (**Facebook and Instagram**), Display/Retargeting, Performance Max (including VLA), YouTube and Programmatic. Campaigns include Dynamic Inventory where applicable.

## ENTERPRISE SEO MARKETING

We offer 100% unique content that is optimized for search engines and tailored to your website's needs. **Our SEO experts provide website content & user experience audits, schematic markup and citation building services, social media and ORM integration, custom landing pages, and real-time performance tracking.** Our unique account management system allows for a dedicated support team to review daily KPIs and ensure your account data is actionable.

## PAID SEARCH ADVERTISING

With our paid search management, we help you generate more leads. Our strategy utilizes technology, data, and human management to optimize campaigns down to the keyword level, leveraging ad extensions such as location, call, call out, structured snippets and price. We also provide **best in class dynamic ads to make sure your inventory is always front and center.**

## ONLINE VIDEO MARKETING

Package includes:

- Pre-Roll ads consisting of Direct Advertisers, SSP's, Trading Desks and Agencies competing for our publisher's traffic via programmatic video ad buying.
- Custom video production services with already integrated pre-roll ads for approved publishers

# SIMPLIFY YOUR CHOICES

## Included in Each Package:

- Dedicated Account Management Team
- Marketing Consulting
- Real-Time Reporting and Attribution (Audience IQ)
- Custom Creative
- Automated COOP and Compliance
